Dear Sir,

ST. MARY THE VIRGIN, DEANE

We thank you for your letter of the 10th, and as you have the report and estimates we sent to the late Mr. Worsley there is no need for us to comment further on the details.

We have gone carefully into costs as they are to-day and now beg to say the total of the first estimate would be £1068. 0. 0., and for the larger scheme £1182. 0. 0. *1576*

We shall be happy to give you any further information you may desire.

And remain,

Yours faithfully,

M E Mears
