Dear Sir,

Deane Parish Church - Bells.

We are obliged by your letter of the 15th. inst., and we shall be pleased when we have a representative in the district to arrange for him to visit Deane Parish Church and make an inspection of the bell fittings after which we will draw up a report together with an estimate for the necessary work.

We are fully booked up for the time being but will write to you again as soon as we are able to arrange a date and time for the inspection of the bells.

Yours faithfully,

E.S.
