Gentlemen,

I thank you for yours of the 16th inst..  
I am pleased to inform you that this year we are celebrating  
the Quincentenary of our church, and a restoration scheme has  
just been launched, one of the objects of which will be a  
complete restoration of the bells. No steps have yet been taken  
to put any work in hand, but no doubt this will be considered  
in the near future.

I have passed your letter on to our Vicar,  
and he says he will be pleased to meet your representative.  
Please communicate direct with him at the following address.

Rev. K. H. Bishop M.A.,  
Dean's Vicarage,  
Junction Road,  
Bolton,  
Lancs..

Thanking you for your guidance and help in the past,

Yours faithfully,
