Dear Sir, Please thank Bells

---

Thank you for your letter of April 12,  
concerning Mr. Fisher's suggestion — that an  
increase of 6% should be made on the  
original estimate of £1400 for the bells.

I will put the whole of the contents of  
your letter before our Church Council, which  
meets on May 3, and to hope that you will  
soon receive a definite order after that.

I am very grateful for the special  
terms which you are offering to us, and am  
sure that my Council will also appreciate them.

Yours sincerely,  
R. B. Bishop
