Dear Sir,  
Please Check Bills

Thank you for your letter of April 12,  
concerning Mr. Fisher's suggestion — that an  
increase of 6% should be made on the  
original estimate of £1400 for the bills.

I will put the whole of the contents of  
your letter before our Church Council, which  
meets on May 3, and I hope that you will  
soon receive a definite order after that.

I am very grateful for the special  
kindness which you are offering to us, and am  
sure that my Council will also appreciate them.

Yours sincerely,  
R. B. Bishop
