Dear Sir,

Deane Church - Bells.

We beg to thank you for your letter of yesterday's date and we are very pleased to be favoured with the order for the recasting and rehangng of Deane Parish Church bells in accordance with our detailed Specification and Estimate 4 December 1952, revised 12 April 1954.

We should have liked to meet your wishes with regard to our removing the bells and having them on view 20 June but alas ! we are unable to touch the bells or make any arrangements until a Faculty has been issued authorising the removal of the bells and the recasting and rehangng of them in accordance with our Specification. Perhaps you will kindly let us know whether this Faculty has been issued or, if not, what the position is regarding this. We will then be glad to go further into this and see what can be arranged.

Again with many thanks and assuring you of our best care and attention,

Yours faithfully,

John Taylor & Co.
