Dear Sir,

Deane Church - Bells.

Thank you for your letter. We hope sincerely that the inscriptions for the tenor and 7th bells can be definitely decided immediately as we have the moulds for these bells prepared - including the inscriptions you have already given to us, and unless we can finish them off with the additional inscriptions quite soon we shall have to break up these moulds and start all over again. This will cause considerable expense which we trust can be avoided.

Yours faithfully,

Y/GP
