Dear Sir,

Deane Church - Bells.

Further to our letter of the 13th ult., we write to say that our Mr. Fidler will be coming with a bellhanger to attend to the alteration of the positions of the bellropes at Deane Church on Wednesday this week, the 11th inst., and we shall be much obliged if you will arrange to have the belfry open in readiness at 10.30 a.m. We hope it will be possible for you to be there in the afternoon or early evening to see that everything is finally to your satisfaction before they leave.

Yours faithfully,

U/GP
