Dear Sirs,

Further to my letter of Sept 6/55,
& your reply of the 9th Sept, I regret you
have not yet found it convenient to call on
us. If this does not prove possible in
the near future, I shall have no alternative
but to cancel our Branch Meeting on
Nov. 26/55. I am sure, that you, along
with me, have no desire that I should do
so, & I am asking for your early
help in this matter, & oblige,

Yours faithfully

M. Brook,
